At a glance

The ThinkPad X200 UltraBase snaps easily onto your ThinkPad X200 Series ultraportable or tablet system for portable expansion. It features:

- An Ultrabay Slim for device expansion
 - Supports Ultrabay Slim Blu-ray, CD-RW/DVD-ROM Combo and Multi-Burner drives
 - Provides storage capacity for a second Serial-ATA hard drive
- A second battery charger
- Standard communication and device ports, including Gigabit Ethernet (RJ-45), and four USB 2.0
- Audio/Video capabilities including DisplayPort and VGA for external monitor, microphone in, headphone out, and integrated stereo speakers
- Integrated key lock and optional cable lock slot for security

For technical support:

- Call the Support Center at 800-426-7378
or
- Request technical information via the Web site at

Overview

Expand the function of your ThinkPad® X200 Series ultraportable or tablet by snapping it into the ThinkPad X200 UltraBase. This simple, quick-attach solution adds a wide array of expansion capabilities but is small enough to carry anywhere. A single UltraBase now works with both ThinkPad ultraportable and tablet notebooks.

Features and benefits:

- Streamlined design for easy portability — Ideal for use in the office, at home, or on the road
- Ultrabay™ Slim for device expansion — Supports Ultrabay Slim Blu-ray, CD-RW/DVD-ROM Combo and Multi-Burner drives; can also house a second ThinkPad Serial-ATA hard drive (requires HDD installation kit)
- Integrated battery charger — Lets you power up a spare battery for the road
- Digital and analog video support — VGA monitor port and DisplayPort

- Audio capability — Integrated stereo speakers, microphone in, headphone out
- Gigabit Ethernet (RJ-45)
- Four USB 2.0 ports
- System power-on button and easy ejection lever
- Integrated key lock and optional cable lock slot to secure your ThinkPad notebook and your ThinkPad X200 UltraBase
- Power passthrough to fuel your system and recharge the battery — Uses the ThinkPad 90W AC adapter. Also uses the ThinkPad 65W AC Adapter, which ships with X200 Series systems and is available separately as an option
- Warranty by Lenovo™ with renowned Service and Support available from IBM

Key prerequisites

The ThinkPad X200 UltraBase can be used only with ThinkPad X200 Series ultraportable and tablet systems.

Planned availability date

August 15, 2008

Help and service information — Features and options

During the warranty period, support for a warranty related issue can be obtained by accessing Lenovo's on-line services (requires internet access account, not included) or calling the Support Center, 24 hours a day, 7 days a week, to answer any questions regarding your new Lenovo option. Response time will vary depending on the number and nature of calls received. If you need warranty service, return or exchange is available. In addition, if your Lenovo option is installed in an Lenovo computer, you may be entitled to service at your location. For general questions related to the use of your options, fee-based support is available. Your technical support representative can help you determine the best alternative.
